

# Fall

Adesso's Fall basin captures the essence and sheet-flow affect of a luxurious waterfall. The basin sides are projected through sheets of vitreous china to provide an organic and soft style. The soft design is then grounded with a shelf to the left of the bowl for added functionality.

# Urban

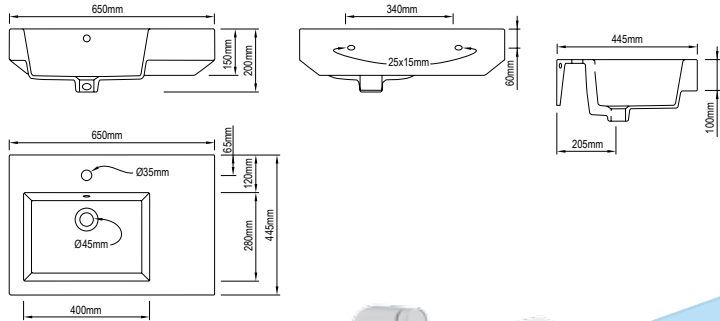

Adesso's Urban range of bathroom products exude an edge of sophistication and style. Each piece begins with a classic and timeless design, but then enhanced with a cheeky edge of unique styling. Added functionality is also incorporated into the basins, with the inclusion of a shelf to one side of the bowl - creating a truly unique and useful piece of bathroom art.
