

# Raymor

IN ALL THE BEST PLACES

## HOTELS, LANDMARKS & AUSTRALIAN HOMES.

## RAYMOR HAS A RICH AUSTRALIAN PAST, HONOURED NOT ONLY FOR ITS HISTORICAL PERSPECTIVE, BUT FOR THE WAY IT POINTS TO THE FUTURE.

For 60 years, Raymor has been synonymous with beautiful simplicity.

From sleek, smooth classical lines to contemporary class, Raymor is proud to have played a leading role in creating the character of our bathrooms, laundries and kitchens.

A central element both in national landmarks – such as Parliament House and the Australian Defence Force Academy in Canberra – and the typical Australian home, Raymor has played a leading role in defining the style of the day. From austere post-war Australia to the psychedelic Sixties and the minimalist noughties, Raymor has been present and counted on as a constant.

The march of time, however, has not altered our founding values. Elegant design, fine engineering, remarkable reliability, low maintenance and magnificent value for money remain our hallmarks.

As a result, we remain a premier choice for Australian architects, plumbers and homeowners, and have earned, along the way, a deserved reputation as a national icon.

Understandably, then, Raymor is on permanent display at the Powerhouse Museum in Sydney – just recognition of our centrality in creating the character of Australian homes and landmarks.
